

END USER LICENSE AGREEMENT
This Software Product is licensed not sold.

The software Package Referred To In This Agreement Remains the Property of Kustomworks Ltd. Copyright © 2007-2009

Kustomworks Ltd with their business address at 13 Wellington Avenue Hornsea, East Yorkshire HU18 1SQ. (herein referred to as the 'The Developer') provides the 'Software Package' to _____ herein referred to as the 'The Purchaser') for _____ (herein referred to as the 'The Licensed Application') according to the following terms and conditions

The 'Purchaser' is responsible to read and agree to the following terms and conditions. Your use of this product indicates your acceptance of the terms of this license Agreement.

As 'The Purchaser' of this product you are granted the following license:

1. APPROVED USE.

- A) 'The Purchaser' has the non-exclusive right to use all files provided in this package free from copyright infringements for 'The Licensed Application' only.
- B) 'The Purchaser' has the right to make any number copies of the 'software package' for backup purposes only. These copies may not be used for any purpose other than 'The Licensed Application'.
- C) To use this software package or any part thereof in any application other than 'The Licensed Application' an additional license agreement must be obtained from 'The Developer' and/or any additional copyright owner (see section 2d & 2e)

2. SOFTWARE CHANGES AND/OR MODIFICATIONS

- A) 'The purchaser' has the non-exclusive right to make unrestricted changes to the 'open source' sections of the software package, provided any such changes are made exclusively for 'The licensed Application'.
- B) Any and all changes and/or modifications made by 'The Purchaser' are undertaken at the sole risk of 'The purchaser'.
- C) If 'The Purchaser' cannot make any necessary changes to 'the software package' we offer custom services for an additional fee.
- D) Your software package may contain modules of software that have been provided by a third- party and/or modules of software that are part of 'The Developers' own module resource library. Any such software may be locked by 'The Developer' and/or the copyright owner to prevent unauthorised editing or access to the source code.
- E) You may need to contact the copyright owner in order for said software module to opened and/or modified. Any such requirements are shown within the help file for each module.
- F) The 'closed' nature of these modules should not in any way effect your editing of the rest of the simpl windows source code.
- G) You may not use these modules for any purpose other than 'The Licensed Agreement'.

3. TECHNICAL SUPPORT.

- A) The software package has been purchased 'as is' from 'The Developer'.
- B) Any and all modifications made to the original software package are at the sole risk of the user and we do not guarantee the performance of any package which has been altered or modified by any person(s) or company other than 'The Developer'.
- C) Any free technical support that has been agreed between 'The Developer' and 'The Purchaser' is strictly limited to problems that are specifically associated with the original 'software package' and/or any modifications made to it by 'The Developer'.

4. FIRMWARE ISSUES.

- A) We test our software products in the current Crestron firmware release for the processor type it was designed for.
- B) We offer no warranties that software performance will be identical in older or newer firmware releases.
- C) 'The Developer' makes no warranty of any kind to maintain this product as new firmware revisions are released.

5. RESTRICTIONS.

- A) The software package including all contained modules, GUI's and source code may not be resold, distributed or added to any type of collection.
- B) The software package may not be offered for download or use from any website nor placed online for promotional purposes.
- C) Each software package must be used as intended for 'The licensed Application' only. You may not use the software package or any part thereof for any application other than 'The licensed application'.
- D) Purchasing this software package does not constitute ownership and does not give you the right to source code outside of the 'Open Source' parts which are provided in the software according to our general terms and conditions.
- E) Copyright remains with the original owner for all GUI's, Graphics and/or code modules provided in the software package.

All software packages are offered in good faith. The Purchaser agrees to not hold the developer and licensors liable for any loss of revenue, time or other damages that might be incurred, directly or indirectly, through the use of this Developer's product.

For And On Behalf Of 'The Purchaser'
